

Mildura Senior College Agreement Form - 2017

Parents and students are reminded that Enrolment in studies at Mildura Senior College are subject to the rules and expectations as stipulated by VCAA - The Victorian Curriculum and Assessment Authority, AND Mildura Senior College. Full details of policies can be found at vcaa.vic.edu.au and in the **Mildura Senior College Handbook**.

The college specifically reminds students and parents about the following rules/expectations:

- Regular and punctual attendance with correct materials at all scheduled classes (including Pathways) and other events is expected. VCAA and MSC policies state that students can fail a subject if they significantly breach these policies. The college will monitor attendance and regularly provide parents with attendance data. **90% attendance is expected** unless there are extenuating circumstances.
- Parents are expected to verify (explain) ANY absence that is not school approved.
- Students enjoy the privilege of visiting local shops at recess and during the first half of lunchtime. The local shops are out of bounds during class time.
- Smoking on college grounds or in the vicinity of the college is forbidden.
- Students must complete all set tasks (including SAC Make Ups) in the manner required and by the date stipulated. This includes participation in camps and out of class activities. Students who have not passed sufficient subjects at key points during the year (such as mid year) can ultimately be exited from the college.
- Students are permitted to bring mobile phones to school, but as a courtesy to others, these must be turned off and be out of sight during class and other school events.
- Neighbouring streets are out of bounds areas for students – students are not permitted to congregate or loiter in Havilah Crescent, Eulinga Drive or anywhere in the vicinity of the college on Deakin Avenue or 14th Sreet (centre plantation, driveways, footpaths, grassed areas, church grounds, etc).
- The college is not responsible for damage to or theft of items such as mobile phones, iPods, calculators and other valuables. Parents should make arrangements with their insurance company.
- Parents and students are expected to respond to all communication from the college, such as letters, phone calls, emails, announcements and other communication regarding student information/progress where required.
- A Student Driver Policy Resource and Information package is available from the college office and website, and must be completed and returned before the student commences driving to and from the college.
- Parents are requested to access the Parent Portal on a regular basis to keep up to date with student progress/attendance.

I/we have read this document and agree to abide by the conditions outlined above.
