**Course Aims**

The VET Automotive program will provide students with the basic knowledge and skills to enhance employment prospects as a trainee or apprentice in the automotive repair, service and retail industry. The course is designed to introduce students to automotive repair principles and the ability to perform a limited range of tasks, relating to the inspection of the mechanical components and systems of vehicles.

**Areas of Study**

**Unit 1 & 2:**
- AURAEA002: Follow environmental and sustainability best practice
- AURAF003: Communicate effectively
- AURAF004: Resolve routine problems
- AURASA002: Follow safe working practices
- AURETR003: Identify auto electrical systems & components
- AURLE001: Identify auto mechanical systems & components
- AURLTA001: Use & maintain tools and equipment
- AURTTK002: Solder electrical wiring and circuits
- AURTTJ003: Remove and replace wheel & tyre assemblies

**Unit 3 & 4:**
- AURETK003: Operate electrical test equipment
- AURETR015: Inspect, test & service batteries
- AURT001: Remove and tag steering, suspension and braking system components
- AURTA027: Carry out basic vehicle servicing
- AURTEE07: Dis. & assemble single cylinder engines
- AURTEE08: Dis. & assemble multi cylinder engines

**Types of Assessments in this subject:**
- Practical Assessments
- Written tests for each workbook
- Completion of workbooks

**Pathways**

Completing this program may assist students interested in traineeships or apprenticeships and further study into Certificate IV, Diploma or Advanced Diploma courses.

Further training pathways from this course include the AUR12 Training Package Certificate III qualifications, or other relevant qualifications.

**Possible Occupations that could relate to this study include:**

- Automotive Mechanic
- Diesel Mechanic
- Mechanical Engineer
- Automotive Designer
- Spare Parts Manager
- Auto Electrician

**Additional Information**

Students are required to wear enclosed footwear and appropriate clothing while in the workshop.

This is a third party arrangement with Sunraysia Institute of TAFE, and as the RTO, Sunraysia Institute of TAFE is responsible for issuing qualifications and statements of attainment associated with this course.
