Course Code: CUA30915
Enrolment Type: VES
Program Length: 2 years
RTO: COSAMP
Delivery Mode: Face to face, classroom based
Location: Mildura Senior College
Program Content: 11 Units
Nominal Hours: 390 hours (minimum)
RTO Number: 41549
Website: www.cosamp.com.au
Training and Assessment: Mildura Senior College

Course Aims

VET Music Industry (Sound Production) is offered to students under the auspices of the College of Sound and Music Production (RTO #41549).

This qualification is for those students who have an interest in music and sound production and are keen to develop skills in a range of areas such as recording, mixing and sound editing. Students will gain competencies that will enhance their employment opportunities within the music industry.

VET Sound Production provides students with the practical skills and knowledge to record, mix and edit sound sources, and operate sound reinforcement equipment for live music events. The program includes core units such as implementing copyright arrangements, performing basic sound editing and developing music industry knowledge. Elective units provide students with the opportunity to learn the essentials of audio engineering and electronic music production.
