Semester 2 Beginning
All students have now begun their Semester 2 studies. As always, I would urge those who have been working well to continue the good habits you have established. Attending all classes, being on time and prepared and completing all set work are the basics that set you up for a successful semester of learning. For those students who had an indifferent Semester 1, take the opportunity to turn things around as early as possible.

Staffing
A number of staffing changes will occur over the next few weeks due to staff returning from or taking up leave.

- Mark Tracy will return from his Acting Principals position at Donald High School for the start of Term 3
- Frank Saigar & Richard Davis are due to return from Long Service Leave.
- We welcome Kerry Dodson and David Priest as they are both taking up replacement positions in English and Mathematics respectively.
- We say goodbye to both Karl Sloane and Jena Craig-Brown as they complete their fixed term contracts.
- Soon we will be fare welling both Tracy Marr and Clare Taylor as they begin their Maternity leave in early Term 3 along with Sue Wilmann who will be on LSL for Term 3.
- Finally very big thanks must go to Sharyn Byrne and Sandy Gunn who have been in acting leadership positions for the first half of the year and have both done a wonderful job.

Congratulations Samuel Barnden – VCE Premiers Award recipient
The Premier’s VCE Awards were presented on Wednesday 5th June at the Melbourne Convention and Exhibition Centre. Samuel Barnden was a recipient for his outstanding work in 2012 in Engineering Studies culminating in the highest possible Study Score of 50 for that subject. Congratulations to Samuel.

Greater access to Wellbeing support for the Mildura Senior College community.
During the second half of 2013, Mildura Senior College, in collaboration with Tristar Medical Group, will be piloting a partnership that caters for additional wellbeing support via on-site medical and mental health care services at no cost to students or their families.

In line with our current processes for students to access specialist wellbeing support, this service will only be available upon referral through a member of our Student Wellbeing team and will be supplementing services for students at Mildura Senior College currently access both on and off site.

Specifically though this partnership we will be piloting the on-site services of a General Practitioner, Psychologist and a Mental Health Nurse, each for one day per week. As mentioned these specialists can only be accessed upon referral from our current Wellbeing team (in line with current practice and policy) and there will be no cost to the students or families.

The overall aim of this collective program is to provide the Mildura Senior College community with timely access to specialist General Practitioner and Mental Health services to reduce the burden of illness thus creating less disruption to student learning during this important time in the young person’s life.

Subject Changes:
Change of subject night was held on the 6th of June in the Gym. We changed over 130 students programs and were able to assist students with new text books. If students have changed subjects please ensure new text requirements have been organised to assist them to have a smooth start to the subject. Please enquire at the Front Office for details.

Mid-year Exams:
Over 800 of our students sat Year 11 Exams and/or the GAT (General Achievement Test) between the 11th and the 13th of June. Results for Year 11 exams will be on the Semester Reports. The GAT results are outlined to students in the end of year results from the VCAA.

Student Services Centre:
Students are reminded that the Student Services Centre is where they will find the Student Coordinators, Attendance Officer and Transition & Pathways Coordinator. If students have questions about their program or completing their certificate, attendance queries or just need general help they should go to the Student Services Centre for advice.

Special Provision:
Students with exceptional personal circumstances are reminded that they can apply for Special Provision. Students must see Tracy Marr (Transition and Pathways Coordinator) for further information as soon as possible.

Student Coordinators:
The student coordinators are here to assist you. To speak with a student’s coordinator please call the College and ask for your Student Coordinator. Thank you to Sharyn Byrne who has been filling in for Sandy Gunn for Semester 1. I am sure many students and parents also appreciate the work she has done to assist students throughout the semester. Sandy will now take over Sharyn’s pathways groups for Semester 2.

Parent Portal on the College Website:
The Parental Portal is active on our College Website and parents are reminded they can access the following information;

- Student Timetable
- Attendance Data
- Student Calendar
- Parent Messages
- Ability to book for Parent/Teacher Interview evenings (3-Way Conferences)

Pathways
Pathways are an integral part of the school program. Each pathways class has a teacher who will, whenever possible, stay with your child for their entire time at the Senior College. During this time the teacher establishes a strong relationship with your student assisting them with personal and academic issues. The teacher helps to make the stay at the college a happy and successful one.

A variety of activities occur in pathways. All school communication and administration such as subject changes, assemblies, VCAA requirements and school forums occur. Career planning is extensive. Time is spent on research into finding future jobs, TAFE or university courses. University and Tafe applications are also completed. Each term there is a major full year level activity where students participate together in team building and motivational activities. This year, Year 11 have had a Mini Olympics day and the whole school participated in Footy Day and the “be the best you can” talk. Other important activities include resilience, safe partying, study skills, driver education and cyber bullying. Students also have the opportunity to catch up on coursework. Attendance in pathways is compulsory and crucial to your student making the most of his/her opportunities at the college.

Australian Business Week
Urgent - Australian Business Week mentors required
From Monday 12th to Friday 16th August approximately 75 of our Business Management students will be participating in Australian Business Week. During the week students will be broken into companies (teams) where together they will operate a simulated multi-million dollar hotel, produce a product and a 30 second TV commercial, make speeches to their shareholders, put together a trade display and participate in team building activities.

Throughout the week we like students to work with mentors from the business community who will offer advice on such things as making decisions about running their business or marketing their product. We like to have two mentors per team so that the role can be shared throughout the week and so that at least one mentor will be available for a period each day to assist the students.

Mentors can be current or retired business people who have a few hours that they could spare during the week to act as a team mentor. They can be parents, grandparents, relatives or family friends of past or present students. Assistance will be available from the ABW co-ordinators throughout the week and from past experience students are happy to accept advice from mentors no matter how little time they have to spend with the team.

The location this year for the program is the Mildura Grand Hotel in Seventh Street.

We are also looking for sponsors to help support the program by way of cash donations to help cover costs or goods/vouchers to be used as prizes for the awards to be given out at the presentation evening on Friday 16th August.

If you are interested, help us out by being a mentor or sponsorship or if you know someone that may be interested please call Lorene Dunstan on 5021 2911, 0417 058192 or email dunstanl@milsen.vic.edu.au.

Careers Centre
Year 12 students who are planning to apply for University or TAFE for 2014 will receive their VTAC (Victorian Tertiary Admission Guides 2014), and SATAC South Australian Tertiary Admission Guides 2014) at the end of July. (They will be handed out in Pathway class time, held every Monday). In South Australia there are separate guides for TAFE (red book) and University (blue book).

Once guides have been handed out students will be able to choose course preferences and fill in the VTAC/SATAC Preference practice sheets which are to be found in the Pathways booklets for term three.

Tertiary course preference applications will be done during Pathways classes here at the college on the following dates:
Students with Sandy Gunn as their co-ordinator: Monday, 12th August
Students with Jim Blue as their co-ordinator: Monday, 19th August
Students with Ineke Rogers as their co-ordinator: Monday, 26th August
Students with Joanna Panagiotaros as their co-ordinator: Monday, 2nd September
Students with Reg Byrne as their co-ordinator: Monday, 9th September

VTAC – Victorian Tertiary Admission Centre
Course Preference Applications
Year 12 students should make sure they have done their preference practice prior to this, so they know the codes of the courses they want to apply for. A VTAC Preliminary Preference Session will be held in PATHWAYS classes on Monday 6th August. (If students are not sure of all their preferences they just need to register and log on and enter one preference. They can then log back in until October 25th, 2013.

Students can log on and register their details at www.vtac.edu.au. Once students have registered and have their VTAC ID and PIN they can login to MyInfo section of the VTAC website and apply for course in their computer session at the school (or you can do this at home.) They can use a credit card or set up a ‘Pay Pal’ account to pay the fee.

Students only applying to SATAC – SOUTH AUSTRALIAN TERTIARY ADMISSIONS CENTRE – will be able to log on to the Sacat website and apply for their course preferences at the same time.

When ‘Listing Preferences’ you need to ask:
1. Have I met the pre-requisites? Check online by doing a Course search on the VTAC and SATAC websites.
2. I am aware of the Extra Requirements (in order to enter this course e.g. folio, audition etc.) Record the requirements in your Extra Requirements column in your student application booklet.
3. I have listed the correct codes
4. I have kept my options open – University, Tafe and Independent Tertiary Colleges
5. I have not accidently applied for a fee paying course
Note: that Tafe courses are a pathway into University degrees.
VTAC SPECIAL ENTRY ACCESS SCHEME - SEAS
Opens 5th August, Closes 8th October at VTAC website.

These schemes cover special entry and access to tertiary courses in two areas:
1. Access and Equity
2. Year 11/12 Special Consideration

Both schemes are set up for students who have experienced educational disadvantage and have a different focus.

All students applying for courses in Victoria through VTAC should also submit a “Special Entry Application Scheme” application. If you don’t meet the entrance requirements for courses or you were disadvantaged while completing your VCE studies then you may want to find out more about SEAS.

Special Entry includes equity areas such as rurality, low income, non-English speaking background, disability and medical condition as well as severe environmental issues that may have prevented a student to adequately prepare for tertiary study. This may mean that students who do not make the ‘clearly in’ cut off point with their ATAR may still be considered for a course based on equity issues.

NOTE: All of our students are eligible to for category 1 for rurality and any other category based on their individual circumstances. The Access and Equity scheme is designed for on-going/long term circumstances which have affected your education to this point.

The Year 11/12 Special Consideration scheme is designed for specific circumstances occurring in your final two years of study which have adversely affected your year 12 results.

These applications are found on the VTAC website, and students will receive information on how to apply in PATHWAYS classes next term. SEAS applications cannot be completed until students have completed their tertiary course preference applications through VTAC. Some categories require a Statement of support from a doctor, specialist or teacher. If you have a student who has been affected by a condition which has impacted on their ability to complete their VCE, you need to get a letter as soon as possible from the doctor - outlining the IMPACT this condition has had on your child's education over year 11/12. (SEAS Booklets can be downloaded from the VTAC website in August

VTAC Scholarships
In the MYINFO section students can apply for Scholarships if they are in financial need and qualify for financial aid such as Youth Allowance and Family Assistance Benefits. (Most students come under their mother's name for Family tax benefit A and B. [A scholarship booklet that can be downloaded as well from the VTAC website in August]

For individual institution scholarships the students need to collect an individual course guide from the Careers Centre. There are all kinds of institutional scholarships to assist rural students and to promote access.

There are also faculty scholarships promoting various careers where there is a skill shortage. E.g. Engineering. So read the scholarships section of each institution that you are applying for and give the institution a call or email if you need more information.

10,000 scholarships are listed in the www.chancesforchildren.com.au website under subject headings or you can search by state and region. You have to read through the scholarship (for undergraduates degrees only) and see if you qualify for the particular one.

Each student should have a booklet called 'The ABC of Applying' - Getting it right 2014. (Come and collect a copy from the careers centre if you do not have a copy.) As a parent make sure your son/daughter brings this booklet home, so you can become familiar with this booklet as there is lots of advice about applying and the process to follow.

LOCAL COURSES – AT SUNRAYISA INSTITUTE OF TAFE

Please note that there are a number of Sunraysia Institute of TAFE courses that must be applied for through VTAC. These courses are: Accounting (Cert 4, Diploma), Agriculture (Irrigation), Children's Services, Conservation and Land Management, Graphic Arts, Horticulture (Diploma), Hospitality Management (Cert 4), Information Technology (Cert 4), Laboratory Techniques (Cert 4), Laboratory Technology, Management (Adv Diploma), Multimedia (Adv Diploma and Cert 4), Nursing (Cert 4), Occupational Health and Safety, Rural Business Management (Diploma), Visual Arts, Welfare Studies.

Students need to also fill in a Personal History Information Form as part of the VTAC application process, and attend information sessions and perhaps attend interviews and complete entry tests, and folio interviews.

Open Days
NOTE: The La Trobe (Mildura) Open Night date for 2013 is Wednesday, 14 August. (Students should check in the FOYER of the LIBRARY for OPEN DAY booklets for a range of universities. As they arrive in the school they will be placed in a small box below the notice board)

Accommodation Applications
Please note that when you apply for entry into an institution you should also make an application for accommodation at the institution. (Do for top three preferences if they are for different institutions).

An application fee is charged, which you may or may not get back. Accommodation booklets for some of the universities are available in the Careers Centre as well as information booklets for some of the accommodation colleges.

Start checking websites now to see which institutions have opened up their accommodation forms. E.g. Monash University accommodation applications after their Open Day(s).

They suggest you apply within two weeks or you may miss out on an accommodation place.
EX-YEAR 12 NIGHT FOR PARENTS AND STUDENTS – LIFE AT UNIVERSITY STUDENT PRESENTATION – A VERY INFORMATIVE SESSION!!

Year 12 Ball

On Friday 14th July around 200 Mildura Senior College students, along with scores of others from St Josephs, Red Cliffs, Coomealla and even from as far afield as Robinvale, made their way to the Settler’s Club for the annual Year 12 Ball. A Sunraysia-wide event, the Ball provides our young adults with the opportunity to enjoy an evening of catered finger-food alcohol-free fun and dance in an atmosphere of festive elegance.

Traditionally, the night sees the young ladies of the district dressed-to-the-nines in everything from luxurious lace to silks and chiffon. This year, the fashions of the Ball ran the gamut: with full-length skirts featuring, alongside slim-fit skirts, bodices and brocade. Our young gentlemen were perhaps less colourful, but no less impressive. Clean-shaven, trimmed-beards, textured and coloured waistcoats, lounge suits, bow ties… I think I even saw a James Bond dinner jacket… the gentleman did not fail to dress for the occasion. Not necessarily the most comfortable outfit to dance in, but that didn’t stop anyone – the dance floor was filled all night.

A standard feature of the evening is the now-traditional photo-opportunity arrangement conducted by Mildura Senior College Chaplain, Colin Cole, with the invaluable assistance of Acting Assistant Principal, Sandy Gunn. A photo booth was available for the more ‘random’ shoots, and roving camera-man, Mark Storm, was once again traipsing the floor for candid and posed school magazine shots.

Organised and supervised by secondary school staff from the participating colleges, the ball is a night of merriment and DJ’d musical joy for young people to revel in a formal celebration of their final year of schooling.
