

VCE Art Creative Practice

In Art students study a range of artists and artworks and use this to inform their own creative practice; and to develop a body of work. Their visual responses will explore ideas and experiment with materials, techniques and processes.

Unit 1 & 2	Unit 3 & 4
<p>In Unit 1 & 2 you will:</p> <ul style="list-style-type: none">• Explore a range of artforms and respond to a range of artworks, ideas and the practices of artists through experimentation• Develop your art practice and reflect on your process through annotations• Explore collaborative practices to make and present artworks.• Research a range of artists, their practices and their artworks• Study the ways that art reflects the values, beliefs and traditions of the societies in which it was created	<p>In Unit 3 & 4 you will:</p> <ul style="list-style-type: none">• Develop personal ideas using research of at least one artwork by a contemporary or historical artist• Develop your own visual responses inspired by personal ideas and experiences• Document your creative practice and refine and resolve ideas into final artworks• Research, analyse and compare artworks by historical and contemporary artists
