### COURSE DESCRIPTION

This VET Program has been designed for students looking to gain skills in furniture making. This course is designed to give students opportunities to develop knowledge and experience in a variety of areas including preparing surfaces, making simple timber joints, developing a career plan for the furnishing industry and assembling furniture components.

Assessments include practical and written tasks, and completion of workbooks.

### YOU WILL LEARN

- How to make furniture using hand and power tools
- How to make a range of timber joints used in furnishing
- How to make free-standing kitchen cabinets and garden furniture
- How to prepare surfaces and apply surface coatings such as stain and wax
- How to make measurements and calculations
- Workplace health and safety requirements

### ARE YOU SUITABLE?

- Are you interested in making beautiful and practical pieces of furniture?
- Do you like using woodworking hand and power tools?
- Do you enjoy hands on activities?
- Are you known for your attention to detail?
- Can you follow instructions and drawings?

### CAREER OPPORTUNITIES

- Cabinet Maker
- Joiner
- Shop Fitter
- Wood Machinery Operator
- Builder
- Interior Designer
- Furniture Designer or Maker
